

AORS Presentation Certification Instructions

14 September 2016

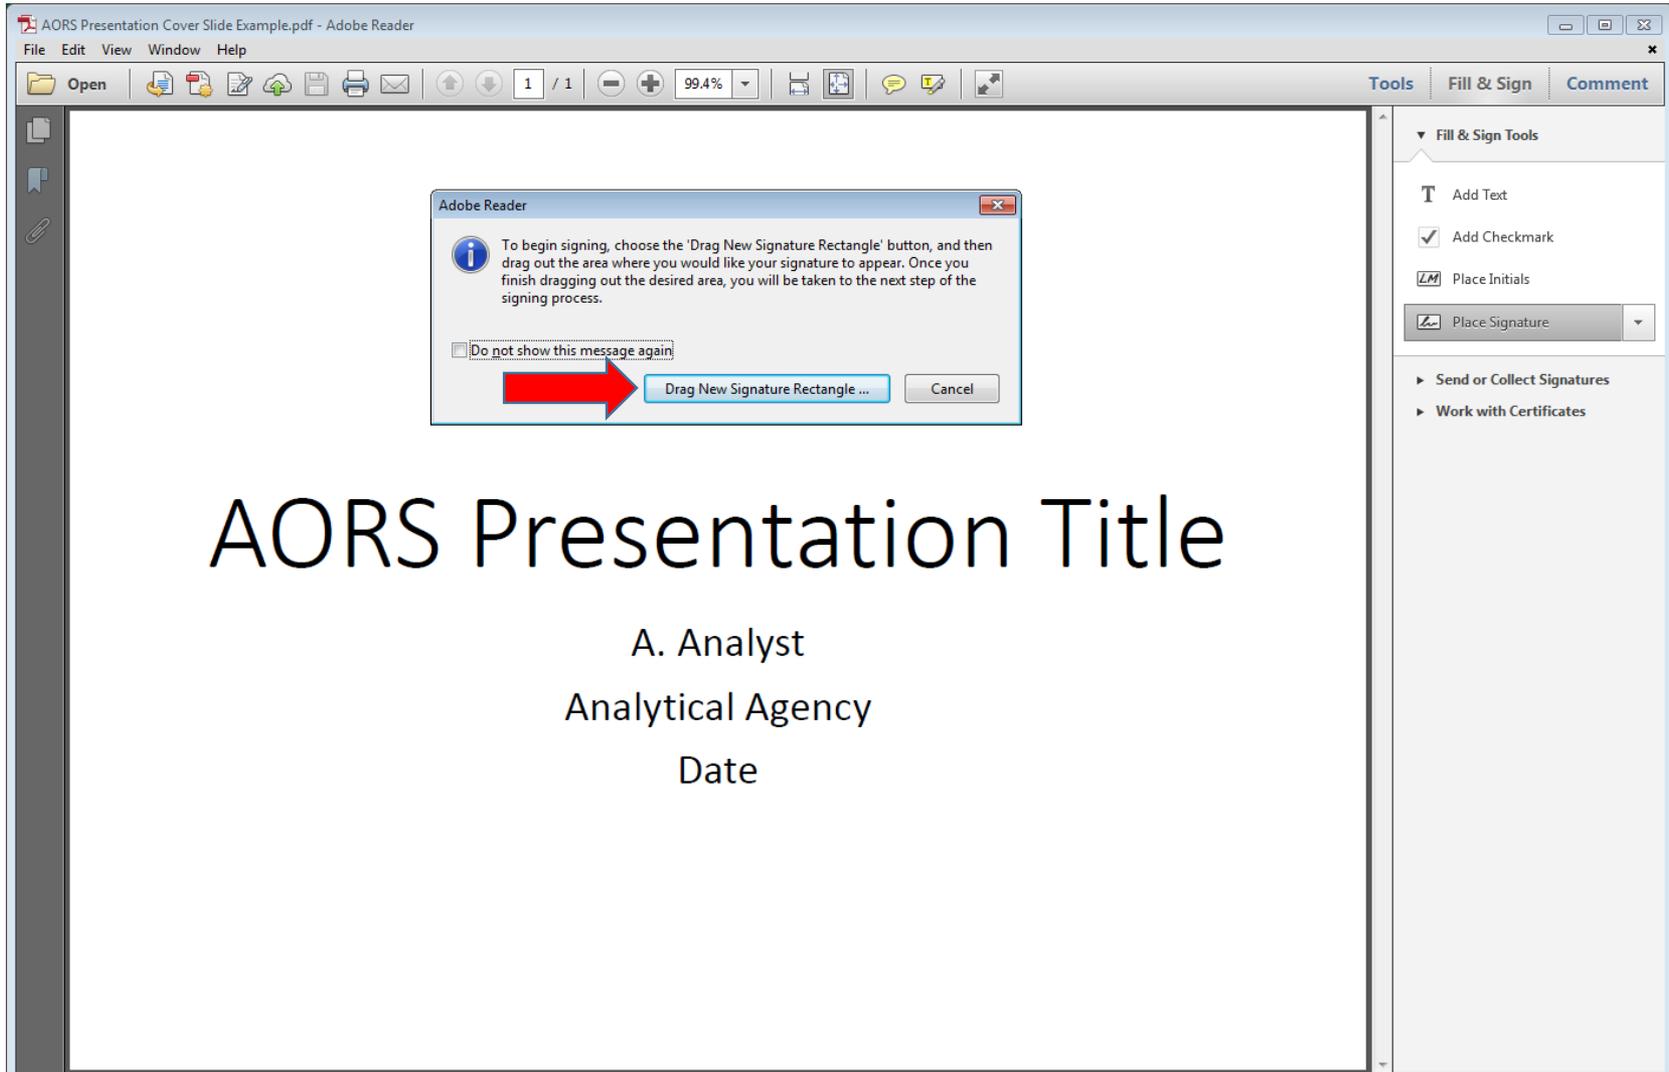

Procedure

1. Save presentation as Adobe Acrobat Portable Document Format (PDF) file and send to FDO.
2. FDO certifies and locks presentation with digital signature on cover slide of presentation with “Reason: Approved for foreign disclosure to AORS participant nations.” (Detailed instructions on subsequent slides)
3. Send locked and certified presentation to [AORS Mailbox](#).

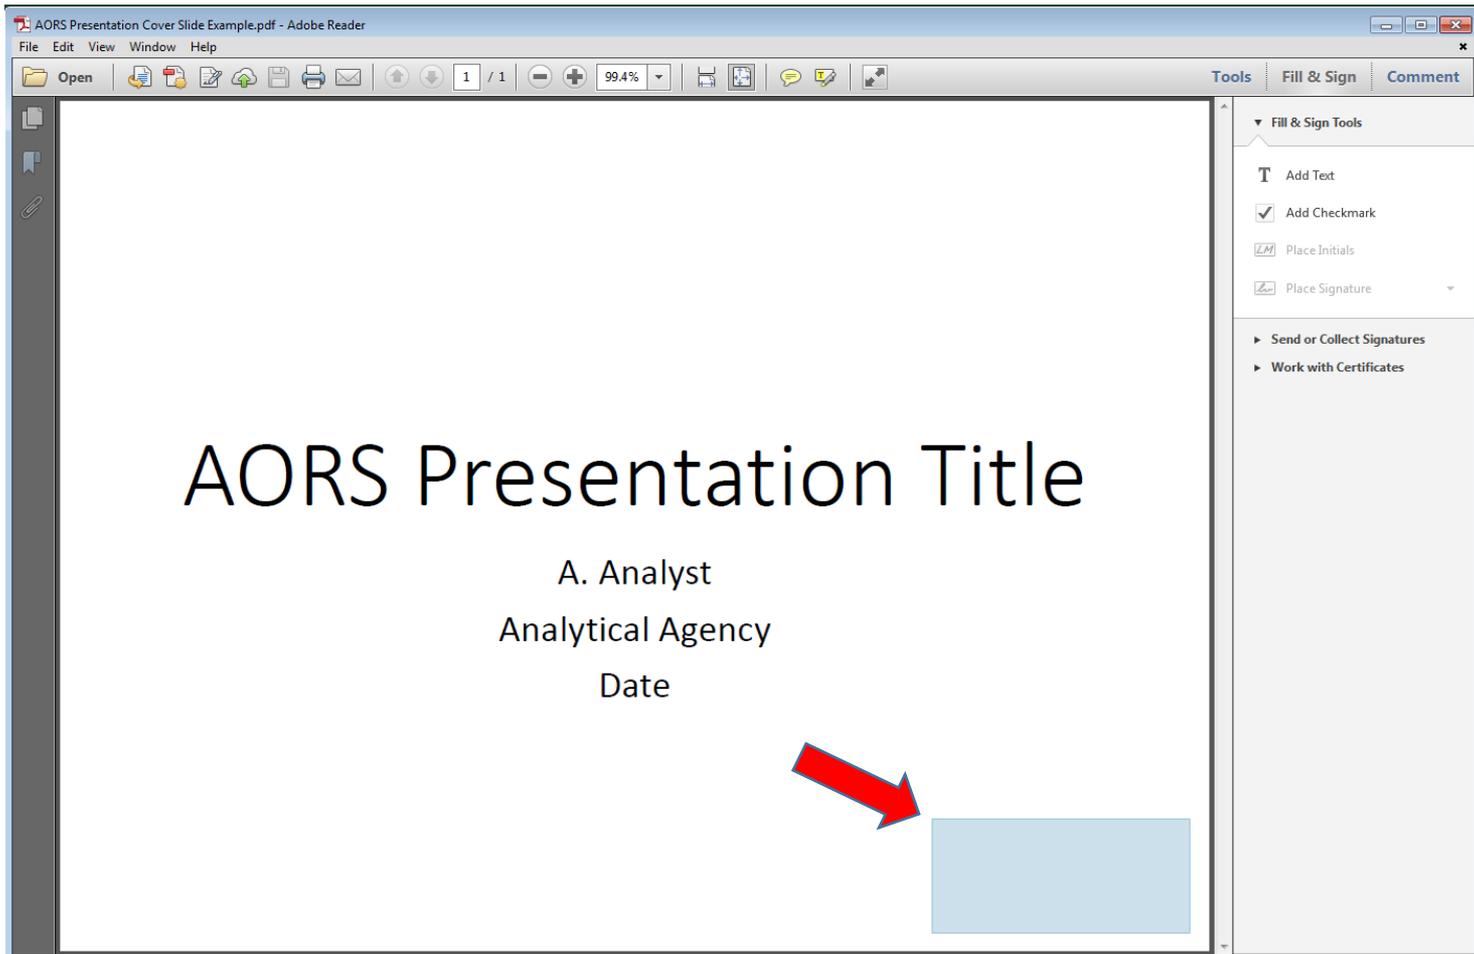

Step 1: Open presentation PDF in Adobe Reader and select “Place Signature” from Fill & Sign menu:

Step 2: Select “Drag New Signature Rectangle” from dialog box.

Step 3: Drag signature rectangle in lower right corner (adjust location on page as necessary)

Step 4: Lock, type reason, and sign presentation.
